TIMETABLE

FAQS

My child is unable to attend?

- If you are unable to attend for any reason you will need to email us at info@elitedevelopmentcoaching.co.uk

Will I receive a refund if I am unable to attend?

- All Holiday Camp bookings made prior to date must be used on the dates booked. If unable to attend and it's reported prior to the start date these days are available to be transferred as credit onto our next soccer school. No refunds will be given.

No camps will be credited without prior notice.

Can my child be put in his friend's group?

- We will try our best to accommodate everyone with their friends but unfortunately, we may not be able to as age differences may create unsafe environments. All our breaks and lunches times are all together.

What will my child do?

- For all our camps we provide fun activities and competitions for your child to take part in. Your child will have opportunities to make new friends, stay active, stay learning and have the best time with us.

What happens in bad or extreme weather?

- All our camps will still go ahead as we have indoor spaces available at our venues so we can continue with indoor sports and fun games for them to participate in. Please note we will go outside in light rain so waterproof jackets is an essential for your kit bag!

Can my child bring their mobile phone?

- If your child chooses to bring their mobile phone or another electronic device this will be at their own risk, and we strongly recommend leaving anything valuable at home.

My child has left their jacket when can I collect this?

- Any lost property that is collected is put in a box which will remain at the venue. We cannot guarantee we will have the item but we do our best to pick up all lost property so it can be returned. Please label all items and check before leaving they have all their belongings with them.

Please contact the course coordinator for lost property.

Feel free to email us at info@elitedevelopmentcoaching.co.uk if you have any further questions you wish to ask.
