FAQS

What is the booking process?

- After submitting an enquiry we will work with you to find a date and venue . Once this has been agreed, we will then send a full confirmation email with payment details as venues are booked upfront.

What coach will deliver our party?

- All our coaches are experts at delivering birthday parties and we will try our best to allocate your favourite coach to your party. If they are unavailable another one of our enthusiastic coaches will host your party.

Please add your favourite coaches to the enquiry form.

How long are the parties?

- Our birthday parties are either 60 or 90 minutes long in total. Our coaches will provide fun activities for all children during this time. If you request additional time, this must be booked in advance.

How do we book an additional area for food after?

- Please request when enquiring and we will provide contact details to book for Maidenbower 3G as they wish for the hire room to be booked by the parents. Or we can add onto your booking for St Wilfrid's School.

What happens in bad or extreme weather?

- We will try our best to liaise with the venue to find an alternative, with weather being unpredictable we recommend booking an indoor venue for all parties.

Do you provide food?

- Unfortunately, we don't, you will be responsible if you wish to include in your party.

Can my other children join in?

- All siblings are welcome to join in the party, who we will not include in the number of children attending. However, but we may limit what exercises they take part in if there are age differences to ensure we provide a safe environment.

Can we use a park field for our parties?

- Yes, you can as part of booking your own venue, but please be mindful that there is access to toilets for your guests.

Are you able to host at our house?

- Yes, we can come to your house to host your party for you, if there is adequate space to use.
