

SPONSORSHIP 2026/27

About us....

EDC Football Club is a proud FA Accredited club governed by the Sussex FA, committed to developing grassroots football and nurturing local talent. We currently support over 200 players, offering weekly training and a full competitive match schedule across five youth leagues.

Our teams represent a wide range of age groups and skill levels, with a focus on long-term development, teamwork, and sportsmanship. In the last two seasons, our commitment to excellence helped 12 local players earn placements at professional football academies—a clear reflection of our coaching standards and the quality of our development programs.

PART OF ENGLAND FOOTBALL

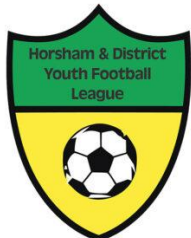

Our teams...

For the 26/27 season, EDC Football Club will be operating with 20 teams, covering age groups from Under-6s to Under-14s.

These teams will compete across a range of well-established youth leagues, offering sponsors wide-reaching and diverse exposure opportunities.

This structure provides sponsors with the flexibility to choose between local visibility or broader regional exposure, including areas such as Surrey, Kent, and London through leagues like the Junior Premier League and Tandridge League.

Why partner with us?...

Partnering with EDC Football Club offers your business a unique opportunity to:

- Engage with local families and communities through regular exposure at matches, training sessions, and community events.
- Align your brand with youth development, healthy living, and positive community values.
- Increase visibility via branded kits, signage, social media mentions, and inclusion in club communications.

With a growing presence across Sussex and a track record of success, your support will help us continue to provide outstanding opportunities for young players— and in return, we'll proudly promote your brand as a valued supporter of local sport.

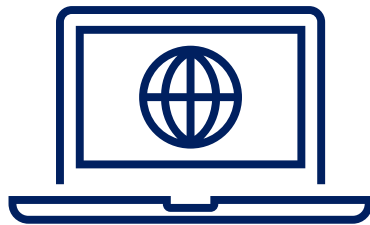

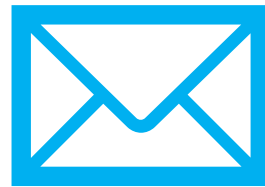

All our sponsors will be showcased through our social media platforms, mailing lists and be visible to 1000s of people weekly through our training and matches. All our sponsors will have links to their website on ours.

Exposure...

All our sponsors receive prominent exposure through a variety of channels designed to maximise visibility and brand engagement.

- **Social Media:** Sponsors are regularly featured across our growing platforms, reaching a broad and engaged local audience.
- **Mailing Lists:** Our club communications keep families, players, and supporters informed—and your brand will be part of that conversation.
- **Weekly Exposure:** With training sessions and matches attended by thousands of people each week, your brand will be visible throughout Sussex and beyond.
- **Website Integration:** Every sponsor will have their logo and a direct link to their website featured on the EDC website, driving traffic and improving brand awareness.

Please get in touch to find out more about our available teams for sponsorship opportunities.

Projects...

We would love to work further with our sponsors than their logo being on the front of our kits.

Collaborating on community and charity initiatives, supporting your business and partnering to develop the identity of both enterprises.

We are always open to you attending events, training or matches along with open to hearing how we can help support the growth of your business too.

Interested in sponsoring?

We would love for you to support the growth and development of our young players and join us on this exciting journey as our first year as a football club. If you wish to do so, please get in contact.
